"Our Pets" Have Returned from Their Swing Around the Circle.

SWIFT IS STILL IN COMMAND

Mart Swift and his sturdy youths, who carry affoat, or at least attempt the base ball world returned to this players. city yesterday after their first swing around the circle.

Brass bands did not proclaim their return nor did the populace hang gar-lands of roses about the necks of the returning warriors. Not a flower was strewn in their pathway. They came unheralded and unsung and at once retired to the peaceful seclusion of

the somewhat hazy work of the club while absent from the city he was found by a TRIBUNE reporter.

"Well, the poor showing we made on the trip can be attributed to a variety of causes," said Mr. Swift. "We had our share of hard luck, but I don't mean to blame all our defeats on that much abused term. Our pitchers were all right, but the team failed to bat behind them and at critical moments the infield seemed to go to pieces. That's the way we lost the games." "Do you intend to strengthen your

"At once," replied Mr. Swift. "I have telegraphed Dick Phelan of New Orleans to come on at once. He is an old player but a good one and I think will be a valuable adjunct to the club. Other steps will also be taken to strengthen the team."

The directors of the association met last night and it was a somewhat turbulent session. There was a disposition before the meeting was called to ask for Mr. Swift's resignation, but after his statement of events that transpired on the trip wers heard the stockholders decided to allow him to continue at the head of the organization. He declared that within ten days he would have the club in first

alass shape. Bad weather prevented yesterday's game and this afternoon two games will be played with Reading for s single admission. The first game will be called at 2 o'clock. Doran and Rogers will be the Scranton battery.

### STATE LEAGUE.

The game of ball between Easton and Harrisburg was the only one on the State league schedule which was not prevented by Jupiter Pluvsus yesterday. Harrisburg for the second time was compelled to bow the knee to the aggregation from Easton, thereby lowering the percentage of the former and allowing the latter to step gracefully out of its position at the and permitting Scranton to once again occupy its seemingly coveted station as the rear guard of the State league

The following table gives the per-centages of the clubs, together with the number of games won and lost by each and their standing in the championship

St. Thomas College and School 36 play this morning at 10 o'clock on the James Boys' ground. The directors of the Scranton club

challenge the directors of the Wilkes-Barre club to a game of ball.

Theyer Torreyson and his Reading braves attended the performance at the Academy of Music last night. The rain and consequent wet grounds prevented the game between Reading and Scrauton in this city yesterday.

Al. Lukens, of last year's Allentown team who signed with the Pittsburg Na-tional league team, is now pitching for the Sioux city, Iowa, club.

Scranton is again holding the tail end position. The defeat of Harrisburg by Easton yesterday enabled the latter to climb ahead of "our pets."

Sam Winslow, the veteran coach, has taken the Harvard base ball team in hand and the hopes of the Cambridge men have mediums, \$1.75a1,90,

risen greatly. Winslow and Clarence Smith, both of Harvard's crack nine of '85 will ceach the team until the big games. The Actives, of Green Ridge, will accept the challenge from the Penn Avenue store for a game of ball at Johnson's Lake for May 30. McDonald, Manager.

Ruckle has been signed by Pottsville and will join the team May 30, when he will pitch his first game against Reading. He played last year with Binghamton. Up until yesterday Manlove has done good work, but some of his decisions were

in connection with the phosphate works outside the grounds.—Harrisburg Patriot. The High School Base Ball club is re-quested to meet at the Delaware and Lackawanna depot at 12 o'clock a. m. today for the purpose of going to Factoryville. E. F. Whittemone, Manager.

Pitcher Crane has reached about the last ditch. From the National league to the Eastern last year, from the Eastern to the New England league this year, and now Haverhill has released him for indifferent

The Philadelphia club owners have written to Nick Young asking him to give peremtpory orders to umpires to prevent rowdy acting on the ball field by fining to carry aloft, the colors of Scranton in and removing from the game offending

The total attendance at Wilkes-Barre for the first thirteen championship games this season is given out as 8,105 at the gate and 2,656 in the grand stand. Last year in the same number of games the attendance was 4,775 at the gate and 1,540 in the grand stand.

The first game of the City School League was to have been played yesterday after-noon at 4 o'clock between Wood's and St. their boarding places.

After Manager Swift had been interviewed by several directors concerning the somewhat hazy work of the club

"Yale" Murphy is quoted as saying that the recent falling off in his playing is due to his inability to stand the physical and nervous strain incidental to playing cham-pionship baseball every day, at which the New York Sun calls for the permanent

substitution of Fuller at short stop. The managers of the Easton and Potts-ville teams are engaged in a wrangle over the signing of Foulkrod, a third baseman. Mrs. Foulkrod, who does most of the cor-responding for her husband, on Thursday evening of last week accepted Easton's terms for her husband, and on Friday morning Pottsville signed him. It is ex-pected a compromise will be made by giving one of Easton's pitchers for the ro-linquishment of Pottsville's claim on Foulkrod.

FINANCIAL AND COMMERCIAL

Stocks and Bonds. NEW YORK, May 25.—The railway and niscellaneous speculation was characterized by firmness today. At intervals the bears endeavored to raid the list for the purpose of getting back their contracts, but finally they concluded that stocks were too well held to be shaken out by the or-dinary methods and they sent their brokers into the board with orders to cover at the market. At one time they did succeed in forcing Sugar down to 93%, Chicago Gas to 68%, Cordage to 28% and General Electric to 84%. Very little stock came out. As far as the railway stock came out. As far as the railway list is concerned the bears hammered away without making any impression. Prices advanced ½ to 2½ from the lowest point of the morning and 283,000 shares changed hands. The largest advances were Chicago Gas 2½, St. Paul 1½, Rock island 1½, Burlington 1½, Northwest 1, Electric 1½, Sugar 4½. Louisville and Nashville 1½, Missouri Pacific 1½, New York Central ½, Western Union 1. The market closed strong at about the best figures of the day. Net changes show gains of ½ to 2½.

Net changes show gains of 1/4 to 21/4. The following complete table—showing the day's fluctuations in active stocks is supplied and revised daily by LaBar & Fuller, stock brokers, 12i Wyoming avenue:

TESTIMONIAL. 413 Main St., Worcester, Mass. March 6, 1894.

The Pre-Digested Food Co.
30 Reade St., New York.
GENTLEMEN: Receiving much benefit
from your Paskola, felt it my duty to write you that you might know personally

f its merits. For the last twenty-six years I have been nuable to use or partake of any meat or fish and scarcely any vegetables, being un-able to retain the same. I have tried many dectors and countless patent medi-cines. All were of no avail till 1 took Paskols. I have used three large bottles and two half sized and it has worked wonders. I now eat anything that is put on the table. To eat a meal now is a pleasure,

heretofore it has been a torture.

In four weeks I have gained five pounds.
I feel like a new man. I am recommending to my friends, and still taking Paskola Wishing you success, I am gratefully ours, Chas. E. Isaac. P. S.-I took Paskola at the solicitation

of Mr. Robert R. Simmonds, who heard of its merits in C. E. Fairbanks & Co.

Gentlemun: I deem it a duty I owe to the public generally, to add my testimonial in relation to the merits of your Passola.

I have been so weak and run down that
I thought I would have to give up my business. I could not eat or sleep, and I tried
everything that was recommended for
such ailments, but all of no use, until about three weeks ago a friend of mine persuaded me to go to S. S. Myers' drug store and purchase a bottle of your Pasko-la, which I did. To my surprise, I com-menced to gain at once and I have gained over fifteen pound in less than three weeks, and I now like a new man.

Yours very respectfully, H. G. MAHOOD. Paskola may be obtained of any reputable druggist. A pamphlet on food and digestion will be mailed free on application to The Pre-Digested Food Co., 30 Reade St., New York,
